

Exemption from Out-of-School Art Competitions and Exhibitions

During the year, opportunities arise for students from Years 1-6 to have their Art work entered into a range of exhibitions and competitions. If a work is selected, this usually results in both the work and the student being promoted within the Perth community.

If you **DO NOT** wish for your child to have their work and identity used in this way, please fill in and return the following slip to Ms Matthews by Friday, 23rd March. If you do not return the slip, your child **WILL BE** considered for out-of-school Art competitions and exhibitions.
